Objective

I am currently searching for opportunities to apply the knowledge that I have been able to acquire during my time in DMIT's Web Development Program at NAIT. I believe that my ability to quickly learn new things coupled with good organizing abilities will enable me not only to build but also design websites that are both visually pleasing and user-friendly.

Skills & abilities

HTML, CSS, JavaScript, React, Node.js, PHP, WordPress, MySQL, Bootstrap, Figma, Adobe Photoshop, Adobe Illustrator.

Soft Skills:

Communication
Teamwork
Problem-solving
Adaptability
Time management
Leadership
Critical thinking
Attention to detail

Experience

Lock Surgeon

Web Assistant | Apr 2024 - Sept 2024

- Collaborated in a team to implement website updates, enhancing visual aesthetics and improving user experience through strategic layout and functionality adjustments, resulting in increased user engagement.
- Worked collaboratively to optimize website content and structure, leading to measurable improvements in search engine optimization (SEO) and a notable increase in search rankings.
- Developed and executed targeted SEO strategies, including keyword research, on-page optimization, and content enhancements, which successfully increased organic traffic and significantly improved site visibility on search engines.

Education

NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY

Edmonton, AB | DMIT Web Design and Development
